

## Verified domainsVerify domain

Before we can verify **bswneurotetexas.baylor.com**, you'll need to complete these steps:

**Add a DNS TXT record**

1. Create a TXT record in your DNS configuration for `_github-challenge-Teambswneurotetexas-baylor-com.bswneurotetexas.baylor.com`.
2. Use this code as the value for the TXT record:

e4017f368d

**Note:** this code will expire in 7 days.

3. Wait until your DNS configuration changes. This could take up to 72 hours.
